Principal's Corner

Dear Parents,

We would like to thank our families for attending our Valentine's Dance and Multicultural Night. Each event was a great opportunity to connect with the school and see some of the special things going on each day.

During the month of March, we will be collecting survey data for our Title I Program. The link is provided on the next page, or you can complete the survey at school before March 30th. We need your input!

Internet Safety is very important, especially for our students. I would like you to know about a recent internet game about which you may want to become more informed. The "Momo Challenge" or "Momo Game" is an online phenomenon and a hoax that has gained familiarity as it has spread through social media. The Momo character has shown up recently in unofficial Minecraft mods and as a discussion topic in popular YouTube videos. It has been reported that children and adolescents are being enticed by a user named Momo to perform a series of dangerous tasks.

Parents need to be cognizant of the material their children are accessing online. Parents should caution children to (1) *never* share personal information (not even a name!) with others on the internet, (2) tell their parents if anyone tries to get their personal information, (3) not automatically believe what they see/hear/read on the internet, and (4) tell a trusted adult if you ever see anything scary or confusing.

March has started with colder temperatures and lots of rain. Our Lost & Found racks are overflowing with coats, sweaters and jackets. If your child is missing something, please encourage them to check the clothing racks in the cafeteria.

Our parent volunteer group is growing. If you would like to be a part of this group; please contact: Mrs. Diana Chavez by email at: bella07_emmy09@live.com. The next parent meeting is Thursday, March 21st at 6:00 pm in the library.

Best regards,

Ms. Hough, Principal
