School Supply Updates

1. Parents are encouraged to purchase a school supply packet for PK-5th grades using the online School Cash payment program. Deadline to order supplies is August 31, 2020.
2. If you choose to purchase supplies at a local retail store; please send the supplies to campus on the first day of school for in-person classes/instruction (Only for students who select in person instruction).
3. Each student will have their own supplies – no sharing of supplies this year.
4. For those who select remote learning and purchase a school supply packet; an appointment for pickup of the packet will be provided to each family.
5. Due to unprecedented circumstances; we have removed hard to find items from the school supply listing. We are asking those who are able to donate: **Kleenex Tissues**
6. New this year: **All Classrooms/Library/Cafeteria/Clinic/Front Office have hand sanitizing stations. Stations will be checked/refilled during the school day. Other information regarding PPE and daily sanitizing of building will be provided to parents.**
7. Pricing of the school supply packets is lower than in previous years. Our goal is to make it as affordable as possible for our families. This is not a fundraiser, but a break-even sale to help our school community.
8. Campus will supplement supplies where needed throughout the year. Teachers might ask that you provide additional supplies such as 3 ring notebooks, Xerox paper, etc....
9. All students must have a backpack in order to transport assigned computer device to/from school.
